

Architectural floor plan of the Church of the Holy Spirit in Prague, showing the layout of the nave and choir. The plan includes three columns labeled S1, S2, and S3, with dimensions and structural details. The nave is divided into three bays, each 5250 mm wide. The total width is 15750 mm. The length of the nave is 15750 mm. The choir is 4500 mm wide. The plan shows the location of the altar, the pulpit, and the organ. The text "SKLON STROPY" indicates the slope of the roof. The text "PATKA SLOUPU" indicates the support of the column. The text "PILATACE" is also present.
